

Includes online lessons, learning resources and tutor support

EARLY YEARS EDUCATOR

APPRENTICESHIP

If you have been working in childcare for a while and want to take the next step in your career, the Early Years Educator Apprenticeship could be the perfect way forward. It will enable you to gain specialist and broader knowledge and skills, so that you can take on roles with more responsibilities.

“Global Skills has been very helpful on my development journey.”
 Rebecca, Early Years Apprentice

The apprenticeship is a great way to combine working in a real childcare role while studying and practicing and your new skills on the job. Not only will you gain the apprenticeship award, you will also gain a recognised qualification. Both will be great for advancing your career in childcare.

Studying with Global Skills couldn't be easier. We have a friendly team of tutors to support you throughout, and you will have access to flexible learning resources, meaning you can study at times that work best for you and your employer.

ABOUT THE APPRENTICESHIP

Apprenticeship & Qualification Level

- The apprenticeship standard is level 3 and matches the Level 3 Diploma in Early Years Educator

Duration

- 18 months

Progression

- Specialist practitioner or management roles

Learning Methods

- Each apprentice will have a dedicated tutor who will arrange contact on at least a monthly basis.
- The employer may also arrange a mentor.
- Tutorials and learning resources are online and can be accessed from any device.

Employer Requirements

- Each employer will set their own requirements.
- Each Apprentice must complete an Enhanced Disclosure and Barring Service (DBS) check before starting.

Study Requirements

- If the apprentice does not have Maths and English GCSE passes at grade C or above, they will need to pass Maths and English Functional Skills level 2 during their apprenticeship.
- The apprentice will need to complete an End Point Assessment to demonstrate they are competent in the role.
